ADVERTISING NEEDED FOR UPCOMING EVENTS

The school needs all families to help with advertising the events to those who are in your circle of influence. Please use your face book, twitter and any other media to post the events. This will help reach a very large number of people in a short time. Word of mouth and hanging flyers are also ways to help. Our events will only be successful if others know about them and attend the functions.

Simply paste and copy events from CAWNY's face book page and post to your wall.
