COMMITTED TO EXCELLENCE IN EDUCATION SINCE 1993

**2012 Donation Request Form**

To Whom It May Concern:

January, 2012

On behalf of Christian Academy of Western New York, (CAWNY) we respectfully ask for your support for our annual Dinner Auction being held March 16, 2012, at Banchetti's Restaurant. Our theme is "Fight the Good Fight of Christian Education" and will consist of various auctions. Your donation will be used for the education and operations of our school as we continue to grow and give families a choice in education that is affordable.

CAWNY is a nonpublic, independent, Kindergarten -12th grade school. Our student population encompasses 12 school districts in 2 counties, as well as international students. In the last 17 years we have graduated over 177 students that are proving to be community minded young adults.

Reaching our goal of \$25,000 depends upon the generosity of the business communities, churches and families. *We understand you receive a large number of requests and we greatly appreciate your consideration in making a donation of products, services, tickets, completed baskets or certificates/ gift cards to our event.*

All donations should be received by 3/4/12.

*Thank you in advance for your support in making this year's auctions a great success!*

Sincerely,

*Patricia A. Poeller*
