

TRIP TO NYC – All High School
Grades 9th - 12th and chaperones (Parents/teachers) are invited

DATE: December 3rd - 5th
PRICE: \$115.00 per person for the bus and spending money in NYC
FOOD: You may pack food for the trip OR purchase food in NYC
SHOPPING: Spending money is up to you

Our International Club has planned a trip for them and high school to see a wonderful part of our country during one of the most excellent and festive times of year in NYC. For those who would like to travel and experience this memorable journey with our international students and classmates, please consider joining us on this trip.

PLAN: We will leave Friday Late evening from the Tops on Bailey and Maple across from the Boulevard Mall, and arrive in NYC at 9 am, we will spend the day seeing the major sites in NYC and leave NYC at about 7pm. We will arrive at the Tops across from the Boulevard Mall very early morning on Sunday (Times to be announced when we confirm our numbers with D & F charter bus service).

WHAT WE WILL DO: Times Square, Central Park (Horse and carriage rides included in price), Rockefeller Center and “The Christmas Tree,” and shopping (And anything else we can fit into the day!)

Please return this commitment form that you are attending this trip by this **Friday, October 22, 2021**, so we can book with D&F. We will need to give them a count as they will only pick up at this location if we have at least 20 people. D&F will inform me of when your payment is due.

Please return this form if your student or you and your student are COMMITTING to attend this trip and pay when the money is due. Please note - I cannot guarantee a place on this bus without your signed commitment that you WILL make the payment. Thank you.

STUDENT NAME _____

PARENT/GUARDIAN SIGNATURE _____

I am Interested in Chaperoning this trip and I understand that I must pay the \$115.00 for my cost for the trip plus my expense of food and shopping.

_____ YES _____ NO

****Siblings may** be able to come if there is room on the bus. We must first see how many students we have and chaperones before we can accept younger children. Please be aware we will be walking and traveling on foot the entire time, therefore I would encourage you to understand the needs of younger children as we will sleep on the bus and we will be keeping up a good pace in NYC. If this is not something your younger child can do, please be aware of this and do not bring them. The trip will not be modified for younger children. Thank you for your understanding.

Sincerely, Mrs. Morrow
