

# CHRISTIAN ACADEMY OF WESTERN NEW YORK

Dear Business Owner,

Spring 2023

Christian Academy of Western New York (CAWNY) *is celebrating 30 years in education!* We respectfully request your support for our celebration fundraiser being held on *March 25, 2023*. This family-friendly event will include basket raffles, games, concessions and more!

CAWNY is a non-public, independent, non-denominational, K-12 school. We provide an excellent education to students and an affordable choice for families. Our student population incorporates eleven (11) school districts, two (2) counties, and international students from numerous countries. CAWNY is a 501-c3, not-for-profit organization (51-0433543).

Your donation will be used toward our “30 for 30” fundraising goal of **\$30,000** for our 30<sup>th</sup> year. As CAWNY continues to serve our community, students, and families, reaching our goal depends upon your generosity. *We greatly appreciate your monetary donation or your donation of products, services, tickets, baskets, certificates, and gift cards* that can be used in our raffles.

*All donations are tax deductible.* We thank you for your contribution and would be happy to pick up your donation.

Sincerely,

Kirk Barnum, Administrator
