

# CHRISTIAN ACADEMY OF WESTERN NEW YORK

## Short Tuition Assistance Form

We understand that parents may be skeptical about whether they can afford to educate their child(ren) privately, in a Christian environment. That is why we created this form.

Simply complete the quick form below and we will contact you via email, with a tuition assistance amount for your family. There's no obligation, of course!

### Things you will need to know before you get started:

- Should you choose to enroll your child(ren) at CAWNY, a more detailed application for tuition assistance will have to be completed. This form is not complicated but does contain more detailed information than the short form. Also, we require a copy of last year's Federal tax information (filed this year) for verification.
- The quoted tuition assistance amount will be maintained as long as all your information on the official application for tuition assistance matches your Federal tax information provided on the short form.
- Tuition assistance does not guarantee enrollment. You need to contact our Main Office if you have any questions regarding academic enrollment. Our number is 716-433-1652 or email us at [mainoffice@cawny.com](mailto:mainoffice@cawny.com).

If you have questions about this form or tuition assistance in general, please do not hesitate to contact our business office by email at [borec@cawny.com](mailto:borec@cawny.com).

**All questions need to be completed. Once done, email it back to our business office at [borec@cawny.com](mailto:borec@cawny.com)**
