Dress Code for Splash Lagoon

Students will be allowed to dress less formally for this trip. However, we do have guidelines that all students must follow. If you come to school dressed in inappropriate attire, you will not be allowed to go on the field trip that day.

Students may wear knee-length shorts. No leggings, or legging style shorts allowed.

Girls - you may wear t-shirts, but no tank tops, cami, spaghetti strap tops or cropped shirts.
[If you choose to wear pants, no ripped jeans and no stretch pants or form fitting pants are allowed.]

To go swimming, girls must wear a one-piece bathing suit. If you do not have a one-piece bathing suit, a dark-colored non-see-through cover shirt may be worn over a 2-piece bathing suit. You must wear this shirt the entire time you are in your bathing suit. Boys, please wear a shirt during times not in the water park. Please make sure to bring a towel and a extra change of clothes, if needed.

You can wear sandals or sneakers.
